Hanging Baskets

NURSERY CONTAINERS

Hanging Baskets are wonderful for traditional plantings such as fuchsias, geraniums, and impatiens. Easy to hang with extra-strong Barbed Nylon or wire hangers with brass eyelets, or with Western's quick Clip-on Nylon Hangers (shown). Visit our website for more information.

Sizes 10 through 14 are wax-permeated. For use with wire or Barbed Nylon Hangers, choose sizes 10 through 12 baskets with brass eyelets. 10 and 12 baskets also available without eyelets for use with Western's exclusive & easy-to-install Clip-on Nylon Hangers. **All hangers sold separately.**

Small & Medium

NURSERY CONTAINERS

Plantable, premium quality molded fiber containers are ideal for bareroot roses, shrubs and smaller trees. Just plant pot 'n all. Or use for deck and patio gardening.

WESTERN PULP CONTAINERS:

- plant pot 'n all*
- reduce transplant shock
- grow lusher, healthier plants
- encourage vigorous root growth
- reduce the need for watering
- protect against heat and cold
- lightweight yet durable

*FREE PLANTING INSTRUCTION CARDS

Following Western's step-by-step planting instructions ensures root growth will not be impaired.

ENVIRONMENTALLY RESPONSIBLE

Western's containers are made with recycled paper and can be composted after use. For more information, visit our website.

Small NURSERY CONTAINERS

Most products available in bulk, bulk pallet, or case pallet. May require a production lead time of up to two weeks.

Bareroot roses, shrubs and smaller trees thrive in these containers. So easy to plant pot 'n all*, without transplant shock! Packaged in plastic sleeves.

Extra Deep Nursery Pots are excellent for deep rooted plants, especially fruit, nut and citrus trees. Smaller diameters give maximum use of space.

Large NURSERY CONTAINERS

Designed for larger trees and B&B needs, these premium quality molded fiber containers are wax-permeated for extra strength and durability. Yet porous, so roots breathe and plants thrive.

WESTERN PULP CONTAINERS:

- premium quality molded fiber
- plant pot 'n all*
- reduce the need for watering
- protect against heat or cold
- grow a healthier plant

IDEAL FOR B&B STOCK AND LARGER TREES

Large containers are wax-permeated for extended life.

*FREE PLANTING INSTRUCTION CARDS

Following Western's step-by-step planting instructions ensures root growth will not be impaired.
